15. What does Leamington Hastings do well?

- 1 anonymous Lots of things but a happy and calm environment and integration with wider local community is first to come to mind.
- 2 anonymous Lovely inclusive infant school
- 3 anonymous Every staff knows every child and their parents / guardians. There is a self of Belonging. Teachers and head teacher always makes time to speak to you and resolve any situation if need be. Always happy to help. The Office support too is very well appreciated.
- 4 anonymous Nurture the children
- 5 anonymous Everything- the school is a wonderful place where our daughter loves attending. She thrives at school and has made great progress during her time here. School communicate well, they involve parents and the wider family in a range of events, they provide a rich, varied and broad curriculum that is stimulating to the children. They develop children as well rounded individuals with an amazing spiritual, moral and cultural awareness. We are so pleased our children have attended this school and couldn't ask anymore of them.
- 6 anonymous Very inclusive and nurturing environment which enable children to flourish without undue pressure.
- 7 anonymous It is a caring, family environment where each child is looked at as an individual and given the space to grow in their own way
- 8 anonymous Great small friendly school
- 9 anonymous Nurture and build confidence and self belief in children
- 10 anonymous Supportive and nurturing. Every child is an individual and celebrated
- 11 anonymous Provide an environment where the children and parent are welcome and feel like a big family not just a number. Have small classes so the children feel less intimidated and more involved.
- 12 anonymous Involving parents. Making children feel safe. Good behaviour policy.
- 13 anonymous Providing a safe and nurturing space for children to learn. I do not feel my child is at a disadvantage being in a small school.
- 14 anonymous In my opinion, LH treats every pupil individually. Also, I've received help regarding --- physiotherapy at school without even asking for it. Mrs Wooldridge asked me first if I need help from school. I always get an answer for any questions.
- 15 anonymous Very personal. Small family feel.
- 16 anonymous .
- 17 anonymous Tailored support to individual requirements
- 18 anonymous Great support in the classroom. Small numbers helps them progress well educationally and emotionally.
- 19 anonymous A small well structured school with good values and great learning approaches with regular feed back and advice which shows in how well my som is doing
- 20 anonymous Phonics & reading...

- 21 anonymous Listens and supports not just my child but as a whole family , communication is excellent and honesty
- 22 anonymous Leamington Hastings has given both our children the best start in life. If anything we have all been spoilt by the whole experience. Our expectations of a great school now set so very high, so far we have found that others do not come close. We have never felt like a number, from day one we have all felt very much part of the LH family. The Facebook page is the only reason we still use Facebook, we have always been so grateful of the updates and photos of the children that have been shared.
- 23 anonymous Very personal experience, look at each child individually
- 24 anonymous Nurturing, children feel happy and safe
- 25 anonymous Very approachable friendly staff
- 26 anonymous The school endeavors to keep parents informed of the children's activities each week which is great. We have particularly enjoyed the lovely community spirit and 'extra curricular' activities that children and parents can be involved in (examples just from this week being the end of year play and sports day) . Staff are very approachable, we have always been able to talk to a member of staff where needed.
- 27 anonymous They are very supportive to my children
- 28 anonymous Lots of support for individuals
- 29 anonymous Everything
- 30 anonymous The school is very welcoming and friendly. I really like the relaxed atmosphere I think the children will thrive as a result of that.

#### 16. What could we improve on?

- 1 anonymous Small pieces of structured homework (can still be optional and no pressure) with instructions and a regular deadline rather than a huge list of optional things to do over the whole term which is quite overwhelming. The latter is too easy not to do anything.
- 2 anonymous Can't think of anything!
- 3 anonymous In the last term parents attended Phonics lessons with the children, which was really good. It will be great if we could do similar sessions once every term on other topics too.
- 4 anonymous More healthier lunch!! Sending home completed bits of work with children More school trips
- 5 anonymous No.
- 6 anonymous Can't think of anything
- 7 anonymous N/A
- 8 anonymous Not a lot, my child would like to do more music but that's a personal opinion
- 9 anonymous Not sure
- 10 anonymous I am.very happy with Leamington Hastings
- 11 anonymous School dinners could improved. No need to be adventurous just good old fashioned school dinners. Meat and veg.

- 12 anonymous Maybe more practical work/ art, cookery, lunch time clubs.languages .
- 13 anonymous .
- 14 anonymous I don't see anything I could point to.
- 15 anonymous Musical instrument lessons available through school
- 16 anonymous .
- 17 anonymous More chance to speak to teachers on the playground
- 18 anonymous More educational trips out that are not in the religious category.
- 19 anonymous I don't have any concerns I'm happy with how all is carried out and run
- 20 anonymous Music, foreign languages, dance, play...
- 21 anonymous N/a
- 22 anonymous Additional staff support for after school clubs were possible to help support activities particularly if there are children with SEND attending.
- 23 anonymous Nothing so far
- 24 anonymous Some more feedback on children's progress
- 25 anonymous .
- 26 anonymous If possible, offer access to learning another language.
- 27 anonymous Nothing
- 28 anonymous Nothing
- 29 anonymous Nothing
- 30 anonymous I can't see anything that needs to be improved.

- 22 anonymous The staff at LH are the schools biggest asset. The progress that our child has shown following the covid related disruptive years is so very evident. The reading program is absolutely brilliant, we now have a confident reader who most importantly loves reading. We have the school to thank for that. We will do our best to keep that fire lit. Miss Scofield, Mrs Everitt and Mrs Golby over the last few years have been fantastic. At parents evening it is clear that they fully understand our child and what is needed to help him progress. We are so very grateful for all you have done. A school is only ever as good as its headteacher. Mrs Marson is unrivalled. Always present, friendly and approachable. Queen of communication - always keeping parents in the loop.
