

27 February 2023

Dear parents and carers,

Thank you for your time before and after school during our evaluation day at Leamington Hastings CE Academy on 12<sup>th</sup> January 2023. It was lovely to be able to hear about the progress your children are making, and how well supported you feel by Mrs Marson and her team. It was also a privilege to spend time in school alongside your wonderful children!

I'm delighted to share the following quotes from our report:

'Children enjoy reading and speak extremely positively about this in all year groups. They can talk confidently about their favourite books, characters and genres and are encouraged to broaden the range of texts they choose to read by skilled adults who have an excellent understanding of children's reading ability.'

'Pupils spoke extremely positively about behaviour, saying that it does not disrupt lessons. They could confidently articulate the academy's behaviour system and said that the adults in school always help if ever there are problems.'

'Pupils' attitudes to their education are positive. They are committed to their learning, resilient to setbacks and take pride in their achievements. They described the academy as a safe and happy place to be.'

'The academy is supporting other schools within and outside of the trust with the teaching of reading.'

We are very proud of the work going on at Leamington Hastings CE Academy. Thank you for your continuing support.

Yours sincerely
