

Plant, Grow, Flourish

10th July 2026

Dear Parents/Carers,

You may have seen recent announcements about changes to Free School Meals (FSM) from September 2026.

These changes mean that more families may now be eligible.

Applying for FSM is important because, in addition to providing free meals for your child(ren), it may also help the school receive additional funding (Pupil Premium) to support your child's education.

Our school will now be using the LGfL FSM Checking Service rather than Warwickshire County Council.

To check your eligibility via LGfL please click on the following link:

<https://fsm.lgfl.net/app/school/17955>

Our school details should auto populate when you click the link but please double check to make sure they are correct.

You will need:

- Your name and date of birth
- Your National Insurance number
- Details of your child(ren)
- An email address and mobile number

Results are usually provided within minutes and will be shared with both you and the school.

Important: Families who currently receive Free School Meals must complete a new application before September 2026, as our new system is not linked to the previous Warwickshire County Council service.

If you need any help completing the check, please contact the school office.

Yours sincerely,

Clare Baxter
Academy Business Partner
