We have had a great week in school, making the most of the lovely weather that we have been having. The children have been busy practising their maypole dancing, and are looking forward to performing for you tomorrow lunchtime. We hope to see many of you there!

At this time of year, people start to think about their next class teachers. Our class teachers will remain the same, Miss Scofield and Mrs Golby will be teaching Key Stage One, and Mrs Wooldridge will be teaching Early Years. The children will be spending time in their new classrooms on Wednesday, where they will get to know each other as a new class group.

If your child is joining Dunchurch Juniors in September, their year three class teachers are Mrs Everitt and Mrs Andrews. They have been to visit the children this morning and are looking forward to seeing the children again on Wednesday.

We are delighted to share some wonderful news with you — Miss Scofield is expecting baby number three! This is an exciting time for her, and we know that you will join us in congratulating her and her family. Miss Scofield plans to be in school until October half term, and we are already making plans for how we will cover her maternity leave. We can't wait to meet baby and welcome them into the Leamington Hastings family.

Have a lovely weekend,

Suzanne Marson

Tips For Wellness

Get Outdoors

Spending time outdoors is great for your body and mind! It can improve your mood, reduce feelings of stress, improve your confidence, helps you to be more active and can reduce loneliness.

How to get outside more:

- 1. Take a Nature Walk**
Find a park, trail, or even your garden and take a walk. Look around for birds, trees, and flowers that you can spot. You could try taking photographs and share them with a friend.
- 2. Play a Sport or Game**
Whether it's football, netball or running, outdoor sports are a great way to get moving. They also help us develop our communication skills when we play as part of a team!
- 3. Do a Scavenger Hunt**
Make a list of things to find outside—like a particular leaf or a butterfly—and go on a hunt to find them!
- 4. Bring Your Hobby Outside**
Do you like drawing, reading, or listening to music? Try doing it outside! Find a comfy spot on the grass and enjoy your favourite activities in the fresh air.
- 5. Have a snack outside**
Try taking a snack outside and eating it while focusing on the food and what is going on around you.
- 6. Watch the Stars**
On a clear night, lie on a blanket and look up at the stars. You might even see a shooting star or spot constellations.
- 7. Meet up with a friend outside**

It can be helpful to get outdoors every day, even if only for a short time. You could try walking to a friend's house or to the shop instead of travelling by car or getting public transport. You could try to make getting outside part of your daily routine, whether it is riding a bike or sitting in a garden or park while you listen to music.

In Coventry and Warwickshire, for any urgent mental health concerns, contact the RISE Crisis Helpline available 24/7, by calling NHS 111. Alternatively, call 999 or visit A&E in an emergency, for example if medical attention is required.

MHST are available to support you and your school throughout the school year including term time and school holidays. Please contact your school's Mental Health Lead for information and advice.

Dunchurch Community Library have successfully hosted this challenge many times and we are enthusiastic about this year's theme: Story Garden.

The scheme will launch on the 6th July and continue until the start of school in September and will be accompanied by stickers to collect, a medal to achieve and a certificate to record their success. When the children have completed reading their six books they will be awarded a medal for their efforts and, when the new term starts, a certificate of congratulation will be prepared, with their name in calligraphic script, and delivered to their schools for presentation in September.

Dunchurch Community Library, School Street, Dunchurch, CV22 6PA tel: 01788 811355 Open: Tues, Thurs, Fri 10am to 5pm and Sat 10am to 12 noon
