

Leamington Hastings C of E Academy

Plant, Grow, Flourish

Newsletter number: 28

Date: 10.04.25

Good afternoon,

We have reached the end of spring term already, it has flown by. There have been lots of activities taking place to mark the end of term. On Tuesday, we walked to church and Karen led us in our end of term service. The children all sang beautifully, talked confidently about the Easter story and the year twos wrote a wonderful prayer. Thank you to all of the helpers who walked with us. We couldn't do these things without you,

Thank you to the PTA who ran a great games afternoon over the weekend. There was a great turnout and lots of fun had by all.

On Thursday we had our annual Easter bonnet and decorate an egg competition,. Thank you for enabling and helping your children to take part. We had so many fabulous entries—everyone received a prize for their efforts with the overall winners from each year group receiving a book.

Early Years have enjoyed their Easter fun afternoon, thank you to all the parents who came, everyone had a really great end to the term.

Have a wonderful Easter break and we all look forward to welcoming you back to school on Monday 28th April,

The LHA Team

PUPIL ACHIEVEMENTS THIS WEEK

LEARNING BEHAVIOUR OF THE WEEK

Eagle Owls: James U, Emily W

MOMENTS MATTER, ATTENDANCE COUNTS. #AttendanceCounts

DID YOU KNOW?

Being just 10 minutes late each day equates to 30 hours of lost learning each year...

Attendance Weekly Summary

Whole school: 98.41% (Target 97%)

Reception	Year 1	Year 2
100%	100%	96%

PE Days

Children should wear their P.E. kits to school on the following days:

Monday	Tuesday	Wednesday	Thursday	Friday
Early Years KS1	-	-	-	Early Years KS1

After School Clubs: Summer term 1

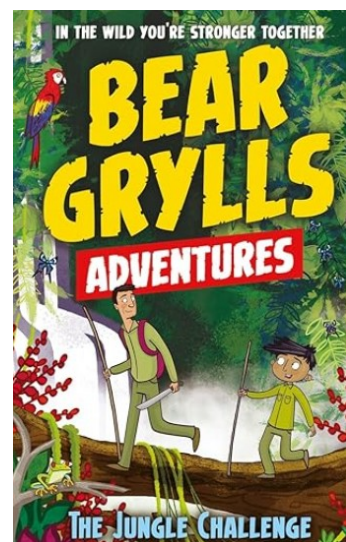

Monday	Tuesday	Wednesday	Thursday	Friday
Arts & Crafts	Gardening	Tennis	Cricket	Cheerleading

BOOK OF THE WEEK

Title: The Jungle Challenge

Author: Bear Grylls

Recommended by: Matthew

Matthew recommended the book this week. He enjoyed reading this book as it contained an outdoor jungle activity camp where the characters learn new skills including zip lining. Omar the main competitive character was able to learn how to work in a team and use the magical compass.

ONLINE SAFETY TIP OF THE WEEK

NSPCC

This week's top tip for parents to
keep children safe online.

Please find [the](#) link to the online safety tips.

COLLECTIVE WORSHIP

This week we have concluded our learning about the Easter story. We began the week with the story of the Three Trees, telling the story of three trees involved in some of the key bible stories. We also learnt about Easter Monday as well as talking about temptation and lent.

At our church service on Tuesday, children from across the school were able to retell the Easter story with confidence, we are very proud of them.

Teacher Training Day Friday 11th April

Mental Health in Schools Team Tips For Wellness

Challenge

Throughout our lives we are going to experience different challenges, both big and small. There will be times where these challenges are exciting and maybe other times where challenges could feel scary and uncertain. These different challenges will push us to try new things, build our resilience and teach us new things about ourselves and the world around us.

When taking on challenges, we learn that we can work towards goals, overcome any obstacles and be resilient even when something is difficult. A **growth mindset** can help us take on new challenges, it builds our confidence to have a go at things, increases our self-esteem and encourages us to keep trying, even if something doesn't work out the first time!

Our top tips for challenging ourselves:

- 1. Set yourself some goals** you would like to reach this time next year (long term goals). Perhaps these can be things you've always wanted to do but never tried before. Break your goals down into medium-term goals and short-term goals (goals you can set to work towards the long-term goal in a few weeks or months).
- 2. Ask for help** when needed. Challenging ourselves is not about getting through difficult times alone, sometimes we need a helping hand and that is okay!
- 3. Push yourself out of your comfort zone** this week. You might want to try a new food, learn a new hobby, start a conversation with a different friend, or put your hand up in a lesson at school. Can you think of a **SMART goal** you would like to challenge yourself with this week? Follow the QR code to learn more about SMART goals: 
- 4. Read books** with characters who overcome challenges. What strategies did the characters use to push through them? Follow the QR code to a list of books that help children face challenges: 

#ThanksKids recognises the efforts and kindness of children and young people, and thanks them with personalised #NHSStars certificates. If you know a child or young person that deserves recognition for going above and beyond, don't wait, nominate! thankskids@covwarpt.nhs.uk

MHST are available to support you and your school throughout the school year including term time and school holidays.

Please contact your school's Mental Health Lead for information and advice.
