Newsletter number: 19

Date: 30.01.2026

We were delighted to share the children's RE work as part of an art gallery display at Rugby Library over the weekend. The display demonstrated the children's understanding and expression of world views through art. We think that the pieces of work looked fantastic! Thank you to everyone who was able to attend.

On Monday, I was invited to join Signing Club so that the children could show me the words that they had learnt so far. They then enthusiastically sang and signed the Katie Perry song 'Roar'. I was very impressed with how quickly the children have learnt this. If anyone would like to have a go at home, the video link can be found here: https://www.youtube.com/watch?v=wCfjV_G_x5s

Thank you for all your ongoing support, have a lovely weekend.

Spotlight on

Online Safety

At Leamington Hastings, we recognise the importance of teaching online safety within school. We have a named online safety lead who is Miss Scofield, supported by Mrs Marson who is the Designated Safeguarding Lead (DSL). We promote online safety using the tagline of 'TAG'.

Early Years children focus on 'tell a grown up', making sure that an adult is asked before accessing anything online. This ensures that only suitable content is accessed, along with telling an adult if something is seen which the children are unsure about.

The KS1 children take this further, learning rules to follow to keep themselves safe online, including only accessing age-appropriate content.

E-safety messages are often promoted through stories, with examples of these available on our [school website](#).

Each half term, all year groups in school focus on an e-safety topic that is taught as part of the school curriculum. The areas cover topics such as different uses of technology, being as kind to someone online as you would be to their face, what personal data is (at an age appropriate level) and to keep this to yourself, and what to do if you see something that makes you uncomfortable.

Posters are on display around school, which were designed by children in school. These are continuously referred to when teaching about online safety.

We follow the trust wide [online safety policy](#), and have software in place that blocks any unsuitable websites from being accessed from all devices within school. Children are always supervised when accessing any online content within school.

COLLECTIVE WORSHIP

In collective worship this week, we explored the theme of respect with Picture News, considering if it was more important to play well or treat people well. We linked this with our school rule of respect and value of friendship. We also used the story 'The Camel That Had The Hump' to explore feelings that place us in the red zone as part of our work on feelings leading up to Children's Mental Health Week.

CHRISTIAN VALUE

LEARNING BEHAVIOUR

Tough Tortoise

- *I am brave and have a go at different things.
- **I can persevere and keep going even when it is difficult.
- ***I can show resilience. I bounce back and try again to learn from my mistakes.

Mood Boosters

Our mood can change, and this is completely normal. You may notice that sometimes you are feeling more tired than usual, maybe stressed or experiencing difficulties with schoolwork or friendships. Situations like these may cause you to feel a bit low, it can be really helpful to talk about these things with an adult, or someone you trust.

Whilst it is normal to feel this way at times, there are things we can do to **boost** our mood and help us to feel happier. By doing more of the things we love and value, or 'doing more of what matters', we can boost our mood. This helps us to feel less tired, have an increased sense of achievement, feel better about ourselves and have some fun!

Our tips for boosting your mood:

1. Have a look at the **BBC Moodboosters** video resources by scanning the QR code. There are a selection of videos to try, you could do these with a friend/ family member, with your class, or by yourself. But most importantly, have fun!
2. The **five ways to wellbeing** - can you challenge yourself to try one of these for each day over the next week! Watch the video on the QR code for more information.
 - o **Connect** - Reach out to a friend/family member, listen to music that reminds you of happy memories, look at old photographs, or arrange activities with friends.
 - o **Be Active** - Try different ways to get your body moving. You could dance, walk, skip, or hula hoop!
 - o **Take Notice** - Spend time outside appreciating nature, maybe on your way to school or practise mindfulness
 - o **Keep Learning** - Read a new book, watch a documentary, follow a new recipe, or learn a new language.
 - o **Give** - Give someone you love a hug, hold the door open for the person behind you, or give your time to help others.

In Coventry and Warwickshire, for any urgent mental health concerns, contact the RISE Crisis Helpline available 24/7, by calling NHS 111. Alternatively, call 999 or visit A&E in an emergency, for example if medical attention is required.

MHST are available to support you and your school throughout the school year including term time and school holidays.

Please contact your school's Mental Health Lead for information and advice.
